

## MEDLAND 2020

### AGENDA

#### *Regional workshop for the networking on best case actor practices*

- Topic 1 *Integrated management of natural protected areas*
- Topic 2 *Natural risks management, especially wildfires*

*17 – 18 – 19 March 2014*

*Camerino, Italy*

*University of Camerino – Room “Antinori”*

## Monday 17 March 2014

### **Workshop – Topic 1 Integrated management of natural protected areas**

- 09.00 - 09.30 Registration of participants
- 09.30 - 09.50 Welcome speech by **Stefania Tibaldi** – Head of Civil Engineering Department of the Province of Macerata and by **Flavio Corradini** - Chancellor of Camerino University.
- 09.50 – 10.10 Presentation of the methodology proposed in the dissemination plan: how to reach the goals of the project put in evidence by Logical framework by **Eduard Plana** - CTFC and **Florence Baptiste** - Province of Turin.
- 10.10 – 10.30 **2BPARKS project** TOPIC 1 main conclusions, taking into account Medland goal (to enhance a common scheme for integral land management) and including products/outputs to be introduced in e-book and data-base and to be disseminated to specific target groups. Presentation by **Ana Catita** and **Alexandra Mendonça** - RCDI.
- 10.30 – 11.00 **Coffee Break**
- 11.00 – 11.20 **MODEL FOREST** TOPIC 1 main conclusions, taking into account Medland goal (to enhance a common scheme for integral land management) and including products/outputs to be introduced in e-book and data-base and to be disseminated to specific target groups. Presentation by **Istria Region**.
- 11.20 – 11.40 **QUALIGOUV** TOPIC 1 main conclusions, taking into account Medland goal (to enhance a common scheme for integral land management) and including products/outputs to be introduced in e-book and data-base and to be disseminated to specific target groups. Presentation by **AIFM**.
- 11.40 – 11.50 **PROTECT** presentation of the “**The Integrated Common Model for the Prevention of Forest Fires**” as contribution to Topic 1 by **Luigi Vissani** - Civil Engineering Department of the Province of Macerata.
- 11.50 – 13.00 **All other partners** (10 partners 10 mn each) presents which conclusions and results of their project can contribute to topic 1.
- 13.00 – 15.00 **Lunch break**
- 15.00 – 16.30 **Common discussion and conclusion on Topic 1 Integrated management of natural protected areas** common components and methodological issues: what to put and keep in our common tools box on sustainable land and natural resources management.
- 16.30 – 17.00 **Coffee Break**

### **Steering Committee Meeting (only for MEDLAND2020 SCM members)**

- 17.00 – 18.00 **Steering Committee Meeting**
- 18.00 **End of day 1**

## Tuesday 18 March 2014

### Workshop – Topic 2: Natural risk management, especially wildfire

- 09.00 – 09.30 Registration of participants
- 09.30 – 09.50 External expert contribution “**Mediterranean forest ecosystems, wildland fires, cypress and fire tolerant species**” presentation by **Mr Tuncay Neyisci** – University of Antalya (Turkey).
- 09.50 – 10.10 External expert contribution “**Forest Fire Fighting in the Marche Region**” presentation by Ms **Susanna Balducci** – Civil Protection Department of the Marche Regional Authority (Italy).
- 10.10 – 10.40 **CYPFIRE** TOPIC 2 main conclusions, taking into account Medland goal (to enhance a common scheme for integral land management) and including products/out-puts to be introduced in e-book and data-base and to be disseminated to specific target groups. Presentation by **IMELSA** in cooperation with **IPP-CNR** and “**Inflammability tests in laboratory on cypress and other Mediterranean tree species**” presentation by **Mr Gianni Della Rocca** - IPP-CNR.
- 10.40 – 11.00 **FORCLIMADAPT** TOPIC 2 main conclusions, taking into account Medland goal (to enhance a common scheme for integral land management) and including products/out-puts to be introduced in e-book and data-base and to be disseminated to specific target groups. Presentation by **CTFC**.
- 11.00 – 11.30 **Coffee Break**
- 11.30 – 11.50 **PROTECT** TOPIC 2 main conclusions, taking into account Medland goal (to enhance a common scheme for integral land management) and including products/out-puts to be introduced in e-book and data-base and to be disseminated to specific target groups. Presentation by **Stefano Chelli** - University of Camerino.
- 11.50 – 13.20 **All other partners** (10 partners 10 mn each) presents which conclusions and results of their project can contribute to topic 2.
- 13.20 – 15.00 **Lunch break**
- 15.00 – 16.30 **Common discussion and conclusion on Topic 2 Natural risk management, especially wildfire** common components and methodological issues: what to put and keep in our common tools box on sustainable land and natural resources management
- 16.30 – 16.45 **Coffee Break**
- 16.45 – 18.00 **Partnership Meeting (all MEDLAND2020 partners)**
- Implementation and updated of website by AIFM
  - Data base on expertise and operational tools
  - Needed contributions from partners and scheduling: what, when, why
  - Other issues related to the functioning of the project
- 20.30 **Social dinner at “Villa Fornari” Restaurant**

**Wednesday 19 March 2014**

**Study Visit (optional) to the “Monti Sibillini” National Park**

08.30	Departure for Visso
09.00 – 10.00	Presentation of the main activities/outputs of the Management Plan for the sustainable development of natural areas developed by the Province of Macerata together with the “Monti Sibillini” National Park in the framework of the Green Mountain project.
10.15 – 13.00	Departure from the Sanctuary of Macereto for a walking tour along the “Sibillini Great Ring” with route to Cupi di Visso (distance 3km)*
13.00 – 15.00	<b>Lunch</b> at the “Mountain dew of Cupi” with typical products of the territory
15.00	<b>End of the programme.</b> Departure of participants and transfer to airports

\*in case of bad weather conditions alternative activity has been scheduled.

*Please note, the walking tour is easy to approach (the altitude gap is 150/170 mt. climb/climb down). It is advisable to wear trekking shoes and windbreaker jacket and to bring a small backpack with a bottle of water and an additional sweatshirt.*
