H2020 and synergies with a capitalisation process

MEDLAND Meeting
Solsona, 6 Nov. 2013

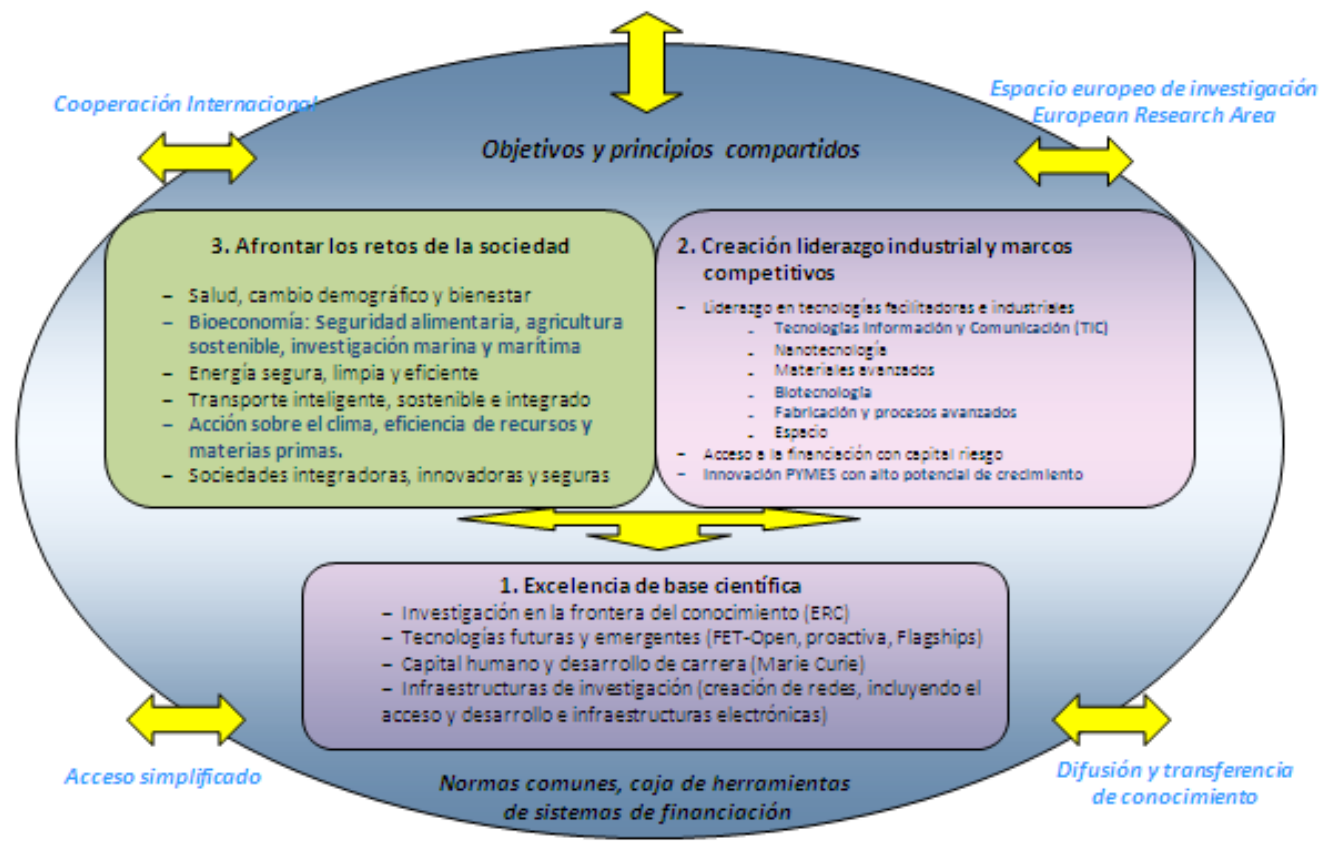

Andrés Montero Aparicio
EU Projects Office Coordinator
NCP-H2020
INIA

Prioridades Europa 2020.

H2020 and synergies with a capitalisation process

International cooperation

- **International cooperation is crucial** to address many Horizon 2020 objectives
- **Principle of general openness:** the programme will remain to be the most open funding programme in the world
- Horizon 2020 shall be open to the **association** of: acceding countries, candidate countries and potential candidates and selected international partner countries that fulfil the relevant **criteria** (capacity, track record, close economic and geographical links to the Union, etc.)
- Targeted actions to be implemented taking a **strategic approach to international cooperation** (dedicated measures in the 'Inclusive, innovative and secure societies' challenge)

HORIZON 2020

H2020 and synergies with a capitalisation process

- **Knowledge transfer**
- **Lobbying/ Increase awareness about MEDLAND issues**
- **Develope/Increase capacities among Medland participants**

H2020 and synergies with a capitalisation process

- Lobbying/Increase awareness
